March 19, 2019 Regular Meeting

The Grady County Board of Commissioners met on March 19, 2019 at 6:00 pm for the regular scheduled meeting. Chair LaFaye Copeland, Vice-Chair Keith Moye, Commissioners June Knight, Ray Prince, County Administrator Buddy Johnson, County Clerk John White, Finance Director Holly Murkerson, Executive Assistant Mary Griffin, and County Attorney Gabe Ridley were in attendance.

The meeting was called to order at 6:01 PM by Chair Copeland. Deacon Anthony Ward opened the meeting with prayer and the pledge of allegiance.

The agenda for the meeting was approved on a motion by Mrs. Knight and second by Mr. Moye.

Mrs. Copeland asked for public comments. Mrs. Feraby Moye was called on as time keeper.

Barbara Darus, Tax Commissioner, wanted to let the board know that the state is switching to a new motor vehicle software and her office will be closed on Thursday May 23 and Friday May 24 in order to perform the switch of software. The office will also be closed on Monday, May 27 for the Memorial Day Holiday.

Alicia Larken Cartwright, Whigham, GA, stated she moved back to the county a year and a half ago and pays $9,000.00 in property taxes. She stated she is embarrassed by the condition of 179 North. She has had chunks of asphalt hit her car and has had to have the wheels re-aligned due to the road conditions. She stated the county needs to stop spending money on “the pond” and address the roads especially 179 North. Commissioner Prince responded to her stating that they are working on the road and it will be fixed. The crew cannot work on the road when it is wet. Mrs. Cartwright stated it should have already been done.

Peter Wright, Stevens Road, stated that Mrs. Cartwright is correct about the road and that applies all over the county.

The board asked for a report from County Attorney Ridley on the Johnson Rd CDBG project. Mr. Ridley stated letters were sent out to the six property owners and he has only heard back from one. The next step will be for the appraisal to take place and that can take up to four weeks. After the appraisals, the condemnation process will start. Hopefully the process will be completed in three to six months.
