GRADY COUNTY BOARD OF COMMISSIONERS
MEETING MINUTES

June 4, 2019 Regular Meeting

The Grady County Board of Commissioners met on June 4, 2019 at 9:00 am for the regular scheduled meeting. Chair LaFaye Copeland, Vice-Chair Keith Moye, Commissioners June Knight, Ray Prince, Commissioner Phillip Drew, County Administrator Buddy Johnson, County Clerk John White, Finance Director Holly Murkerson, and Executive Assistant Mary Griffin were present.

The meeting was called to order at 9:01 AM by Chair Copeland. Mrs. Copeland opened the meeting with prayer and the pledge of allegiance.

The Public Hearing for the Raymond Woods Variance request was held.

Mr. Woods started the hearing stating that he is requesting a variance for 10/4/19, 10/5/19, and 10/6/19 for hours of operation and noise limits. He stated this is an educational event for motor cross athletes.

Michelle Dean, 192 Pope Store Rd, wants to know how you will point out Grady County lodging and businesses to participants.

Kerry Bishop, 209 Evergreen Lane, stated he lives next to the track and this is not beneficial to the county and wants the event to go somewhere else.

Belinda Johnson, 131 Evergreen Lane, wanted to know what type of infrastructure would be brought in as far as lights. If this is a big success would this be an annual event, bi-annual, or quarterly event.

Charlene Bishop, 209 Evergreen Lane, stated in the beginning they wanted this for their one son to practice. She stated that is not the case today and it is very hard to believe this is a one-time event.

Austin Liggett, 562 Bold Springs Rd, stated traffic on Bold Springs Rd will be horrible. She stated it has been bad with the bridge closure. She also stated the noise will be bad for 3 whole days. Mrs. Liggett is also worried about people parking in their yard to attend the event.

Charles Harrell, Deer Lake Community, no one has expressed concern about the people who live in the neighborhood. What if this event were held at the airport? Would you feel the same then?

Peter Wright, Stevens Rd, stated he lives around two tracks in the south part of the county, and it is a humiliation. He feels the county has been generous with the ordinance and the variance should be denied.

Betty Godwin, 369 Pine Park Rd, stated that there must be an undue hardship to approve a variance and this is completely inappropriate. Bike riding is causing an issue in the county. The area was billed as a place for retirement. She has an issue with how the city and county handled the 2017 request.

The public hearing was closed at 9:53 am.

The agenda for the meeting was approved on a motion by Mrs. Knight and second by Mr. Drew. The motion was approved.

Mrs. Copeland asked for public comments. Mrs. Murkerson was called on to serve as timekeeper.

Peter Wright, 304 Stephens Rd

Mr. Wright was wondering how the lake is doing and the leaking gate.

Charles Renaud, 1325 5th St NW, stated that we do not plan and just react to the issues. The board needs to take the next step and start planning for growth.

PRESENTATIONS

Michelle Dean and Dana Willis on the Arts and Historic Preservation.
Mrs. Dean and Mrs. Willis spoke on seeking support for the arts for the young people of Grady County and how it helps the community to thrive. They would like to see the Commissioners support the arts by attending the dance show on June 14 and 15, 2019 here in Cairo, GA.
