Mrs. Murkerson, Financial Director provided the following report to the Board:

Financial Review for December 2020
1. Please note that the information discussed today is unaudited and unamended information and is subject to change after adjusting entries are made

Revenue:
2. Year-end revenue for the General Fund came in 23% over budgeted revenue

a. Largely due to the 2020 real and personal property taxes, timber taxes, commissions, and mobile home taxes being extended to a mid-January due date resulting in approximately 34% higher than budgeted

b. Various other taxes that are not on the digest came in over the budgeted amount (motor vehicle title ad valorem taxes, real estate transfer taxes, railroad equipment taxes, beer taxes, energy excise taxes, insurance premium taxes, Forest Land Protection Act, and the recording of intangibles)

c. LOST receipts came in approximately 31% more than budgeted

d. Both the Cares Act deposits and EMS stimulus deposits were deposited into the General Fund and then transferred over into a special fund of their own in 2020

e. The $184,000 loaned to the DATE fund for Drug Court expenditures was deposited back into the GF after Mitchell County assumed the financial oversight and funding of the Drug Court

Expenditures:
3. Year-end expenditures for the General Fund came in 16% under budgeted expenditures

a. Adjusting entries after the audit will adjust salaries by department based on the number of days in 2020 that were actually paid in 2021 due to our pay periods

b. Some expenditures were not completely utilized due to COVID-19, training, travel, court expenditures, etc.

Mrs. Copeland brought up requiring a mask mandate on county property. Mrs. Copeland stated it is time for us to do something to prevent the spread of COVID-19. Mrs. Copeland made a motion to require mask be worn on county property. Several Commissioners made comments about the motion. Mr. Johnson stated that as a point of order, the chair needs to seek a second to the motion to allow for discussion of the motion. Mr. Johnson stated that even though you second the motion, it does not require the individual to vote for the motion. There was no second given so the motion died.
