Other news:

1. Will submit the “Project and Expenditure” report by October 31, 2021, for the American Rescue Plan Act (ARPA).
2. Need to schedule an ARPA workshop to plan for use of funds. The commissioners will look at a date in November.
3. Next steps for efficiency in the finance department:
   a. Talked with a couple of banks regarding services offered to make the County Finance Department more efficient; I’ll send some information to each of you over the next few weeks.

How much money will be raised with a single county TSPLOST and are items exempt from TSPLOST?

The amount of money collected will depend on your county and your sales rate. Projections based on current SPLOST collections are a good starting point minus the exemptions listed below.

There are six items that are exempt from taxation on the law. (See O.C.G.A. 48-8-269)

- The sale or use of any type of fuel used for off-road heavy-duty equipment, off-road farm or agricultural equipment, or locomotives.
- The sale or use of jet fuel to or by a qualifying airline at a qualifying airport.
- The sale or use of fuel that is used for propulsion of motor vehicles on the public highways*.
- The sale or use of energy used in the manufacturing or processing of tangible goods primarily for resale.
- The sale or use of motor fuel for public mass transit; or
- The purchase or lease of any motor vehicle.

Mr. Drew stated that they have completed the cross-drain work on Pine Park Rd. Hopefully paving will start soon.

Mr. Prince stated that he spoke with Tax Commissioner, Barbara Darus, last week who stated that there are several very small pieces of property that are up for tax sale and are not big enough to sale at a tax sale. Mr. Prince stated that it seems we could do something to get these properties off the tax books and have them bring in a little money. Mr. Johnson stated he would contact Mr. Ridley and have him investigate the property and what if anything could be done.
