FORESTRY CONSULTANT

The Grady County Board of Commissioners are soliciting proposals for services and resumes from Registered Foresters to manage the select harvesting of mature timber from County owned property.

The successful candidate shall coordinate his activities with the representative for the Grady County Board of Commissioners.

This person shall research all county owned property and manage those areas for the county.

When it is time for timber to be harvested, the individual shall develop the criteria for harvesting, obtain bids from qualified logging companies, recommend the best value bid to the County Commissioners for approval and supervise the harvest, clean-up, and reforestation if applicable.

County parcels may be researched at the Tax Commissioners Office or on Q-Public.

The Forestry Consultant will ensure that the County Timber Ordinance is followed by any logging company cutting timber on county land.

Proposals shall include a fee schedule.

Serious candidates shall include a resume which includes names of personal and professional references, copies of their educational and registrational credentials, and their official proposal.

Please submit to the Grady County Board of Commissioners at 33 17th Ave NW Cairo, GA 39827 no later than 4:00 pm on Monday, August 29, 2022.

This is a request for professional services. Selection of a qualified candidate is at the sole discretion of The Grady County Board of Commissioners, which reserve the right to reject any and all proposals. Candidates will be evaluated based on the overall quality of the proposal and a variety of factors may be considered other than the applicant's proposed fee schedule.
