Mr. Moye asked for an update on Mr. Van Ponder's request for a Variance for the Land Development Use regulations. Mr. Ridley stated that the Land Development Use regulations list specific conditions for a variance. With the way the ordinance is currently written; it would not make sense to grant the variance. If the board does want to make accommodations, then the board will need to amend the ordinances if they choose to address this.

Mrs. Knight asked for a status update on 179. Mr. Elkins stated they have completed work on 179.

Mr. Prince stated he was pleased with the results on Old Thomasville Road.
